### CLEARINGHOUSE RULE 17-078

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]**

#### **2. Form, Style and Placement in Administrative Code**

- a. In the introductory clause for the proposed rule, the listed treatment of s. Psy 5.01 (17) and (32) should be shown as “repeal and recreate” instead of “repeal and replace”.
- b. The treatment of s. Psy 5.01 (18) that is shown between SECTIONS 6 and 7 of the proposed rule should be in its own numbered SECTION. All subsequent SECTIONS should be renumbered accordingly.
- c. In SECTION 13 of the proposed rule, the treatment clause should be revised to the following: “Psy 5.01 (33) (intro.) is renumbered Psy 5.01 (33) and amended to read:”. The treatment listing in the introductory clause for the proposed rule should also be updated to reflect this treatment as “renumber and amend”.

#### **5. Clarity, Grammar, Punctuation and Use of Plain Language**

The text in s. Psy 5.01 (34) should be revised for clarity. Perhaps the first “or” should be changed to “of” to make the intended language read “violating any provision of an order”. Or is a “provision” of any board intended to also refer to “rules” of any board, as only state rules are referenced elsewhere? If so, this should be specified. Also, the word “which” should be revised to “that”.
